M&C is nie verantwoordelik vir enige skade wat veroorsaak word deur verkeerde montering, verkeerde hantering of nalatige onderhoud nie. Aanspreeklikheid word van die hand gewys by die gebruik van swak gemaakte sleutels, sowel as sleutels van 'n ander vervaardiger. Besoek www.m-c.eu vir 'n volledige installasiehandleiding.

This user manual is for the following padlock:

50 mm ✓

CAUTION:
Keep the cylinder opening facing upward to prevent loose parts falling out.

1 Insert the bridge into the cylinder.

2 Turn the bridge 90° clockwise to lock it in place. Insert the screw and tighten it.

3 Push the shackle into the padlock when placing the cylinder.

4 Insert the key, push the cylinder into the padlock and turn it 90°.

5 Insert and tighten the screw in the shackle opening to secure the cylinder in place.

NEED HELP?

In case the inner parts of the padlock fall out or are not in the right position, you need to reassemble them. To learn how to do this, watch the video by scanning the QR-code:
